MSCA 2015 CONFERENCE - COFUND: "**SYNERGIES TO FUEL RESEARCHERS' CAREERS**"

Contributions for Plenary and Parallel Sessions

In the context of the Luxembourg Presidency of the Council of the European Union, the Luxembourg National Research Fund - FNR will be organising the next annual MSCA conference in the Grand Duchy of Luxembourg. The MSCA 2015 conference, to be held in Luxembourg City on December 10-11, will be centered around COFUND, a scheme that embodies synergies fuelling researchers' careers.

French woman astronaut, former State Secretary for Research as well as for European Affairs, **Claudie Haigneré**, will honour the conference by her distinguished participation, while Swedish futurist and author **Nicklas Bergman** will share his insights as the opening keynote speaker for the "MSCA 2015 Conference".

The Luxembourg National Research Fund - FNR is inviting contributors to send their proposals for the **plenary and parallel sessions** of the upcoming MSCA 2015 Conference. Submissions will be received until September 15, 2015.

CALL for CONTRIBUTIONS and the PROGRAMME are available on the conference dedicated website : **WWW.MSCA2015.LU**
